

# Holidayme - Scale Your Tour Business

[Download as PDF](#)

Powering Airlines, Tourism Boards, and Travel Businesses with tailored, scalable, and intelligent solutions.

**Trusted by 2,000+ travel businesses**

## Private Label Solution To Connect, Curate and Distribute

Everything you need to manage your travel business efficiently in one place

### Dynamic Packages

Curate thousands of multi-city and multi-day itineraries with 400+ Airlines and 1M+ Leisure portfolio integrated

### Hotel Distribution

Access 1M+ hotels worldwide with direct connects to Accor, Hilton, IHG, Jumeirah, Rotana, plus exclusive rates for 10,000+ properties.

### Payment Processing

Accept payments seamlessly through over 85 integrated payment gateways and process transactions efficiently using Virtual Credit Cards (VCCs).

### Sales Channels

Easily manage and scale B2B, B2C, or hybrid business models with customizable rules for each channel.

# Tailored Solutions for Every Travel Segment

Our platform offers specialized solutions tailored to the unique requirements of each travel industry segment:

## Airlines

### **Deliver Seamless Leisure Journeys from Search to Service**

Empower your airline to go beyond flights. Integrate end-to-end leisure offerings—from curated packages to destination experiences—right within your booking flow. Drive engagement and increase ancillary revenue with personalized travel solutions.

## DMC (Destination Management Companies)

### **Scale Operations and Unlock New Revenue Streams**

Streamline supplier and inventory management while growing your market presence through our powerful platform. Our tools make it easy to customize offerings, manage partners, and boost bookings with integrated distribution and marketplace support.

## DMO (Destination Marketing Organizations)

### **Elevate Your Destination with Smart Marketing Tools**

Amplify your destination's global visibility through AI-powered campaigns and integrated promotional solutions. Tap into advanced targeting, real-time performance insights, and multi-channel distribution to maximize reach and ROI.

## Travel Companies

### **Launch Branded Travel Platforms at Scale**

White-label your own digital travel storefront and deliver exceptional customer experiences. Whether you're targeting B2B resellers or direct consumers, gain complete control over inventory, pricing, and brand presentation—at scale.

# Our Digital Edge in Travel

## Boost Revenue with Intelligent Dynamic Packaging

Drive profitability by creating real-time, personalized travel bundles powered by dynamic pricing, inventory rules, and customer behavior insights.

- Real-time pricing and inventory
- Smart upselling for higher yield

## Build a Fully Branded Platform with White-Label Solutions

Launch your own travel booking experience with complete control over branding, layout, and features.

- Tailored branding and domain control
- Unified experience across web and mobile
- Scalable for B2B, B2C, or B2B2C models

## Expand Offerings with Powerful API Integrations

Seamlessly connect your systems and extend capabilities with our flexible, developer-friendly APIs.

- Full catalog access via RESTful APIs
- Easy integration for inventory, pricing, bookings
- Reliable, scalable infrastructure

# Trusted Integrations

## Benefits of Our Integration Ecosystem

Our integration platform provides a seamless connection to the travel industry's leading providers, delivering value through simplified access and enhanced capabilities.

### Global Connectivity

Connect with partners across the globe through a single integration, expanding your reach to new markets and customers.

### Simplified Integration

Our standardized API makes it easy to connect with multiple partners without the complexity of managing separate integrations.

### Real-time Updates

Get real-time availability, rates, and inventory updates from all connected partners through a unified interface.

### Continuous Expansion

We're constantly adding new partners to our ecosystem, giving you access to the latest and most innovative travel services.

### Secure Transactions

Our platform ensures secure data exchange and transactions with all partners, protecting both you and your customers.

### Certified Partnerships

All our integration partners undergo a rigorous certification process to ensure reliability and quality of service.

# Airlines Solutions - Go Beyond Flights

## Power Your Airline with Seamless, All-in-One Vacation Experiences

Combine flights, hotels, activities, and transfers into curated journeys that inspire travelers and increase conversions.

### Comprehensive Features for Airlines

Enhance your airline's digital presence and boost ancillary revenue with our powerful dynamic packaging platform

#### Curated Packages

Create multi-day or multi-city open jaw journeys and curate experiences for special events thus opening new frontiers for revenue growth.

#### Global Hotel Network

Access over 1 million hotel options with direct connects to major chains and exclusive rates for thousands of properties.

#### Flexible Payment Solutions

Process transactions efficiently with 85+ integrated payment gateways and Virtual Credit Cards (VCCs) support.

#### Advanced Analytics Dashboard

Track performance with comprehensive analytics and reporting tools to optimize your airline's ancillary revenue.

#### White-Label Solutions

Launch your own branded travel booking experience with complete control over branding, layout, and features.

#### Secure Infrastructure

Benefit from our robust, scalable infrastructure with 99% uptime, ensuring reliable service for your customers.

## Advantages for Your Airline Business

### Boost Ancillary Revenue

Increase your airline's revenue by offering a comprehensive range of travel products beyond flights, including hotels, transfers, and experiences.

### Enhance Customer Experience

Provide a seamless booking journey for your customers with an intuitive interface and comprehensive travel options all in one place.

### Data-Driven Insights

Leverage powerful analytics to understand customer behavior, optimize offerings, and make informed business decisions.

### Global Reach

Expand your market presence with multi-language, multi-currency support and access to worldwide inventory of travel products.

## Integrate Umrah Travel into Your Portfolio

Tap into a growing demand for spiritual and leisure travel with our proprietary Umrah solutions. We provide fully customizable Umrah and Umrah Plus packages for a memorable pilgrimage experience.

### Haramain Train

Fast and convenient travel between Makkah & Madinah, offering seamless journeys for Umrah pilgrims.

### Umrah Packages

Dynamic Umrah packages that include flights, hotels, and transportation for a hassle-free pilgrimage experience.

## Umrah Plus

Offer combined (Umrah + Leisure) or (Umrah + Stopover) packages that make multi-part travel effortless. Enable your customers to plan, book, and experience extended journeys—all with a single click.

## Negotiated Rates

Specially negotiated hotel rates in Makkah and Madinah, offering competitive pricing for Umrah pilgrims.

## Ancillary Services

Comprehensive services including expert Umrah guides, Ziyarah tours, and reliable transfers to enhance the pilgrimage experience.

## Umrah Visa

Offer Umrah visa as part of umrah package or in your flight booking flow for Saudi Arabia, completely automated and managed by us.

---

# DMC Solutions - Elevate Your Destination
